

27th June 2011

Dear Richard,

Re: Green Dragon Certificate – GWW00261.

Groundwork Wales is pleased to enclose your Green Dragon certificate for Davis Wagon Services.

The Green Dragon Environmental Standard recognises effective environmental management and offers an environmental management system relevant to the specific and individual needs of companies and organisations across Wales, providing financial savings, compliance with legislation, environmental performance and increased competitiveness.

Groundwork is supporting companies and organisations including local authorities, community groups and private sector businesses to achieve Green Dragon certification.

Companies and organisations achieving any level of the Green Dragon Environmental Standard receive a certificate demonstrating the level of their achievements. Level 2 companies and upwards can also display the Green Dragon logo on their corporate literature. Level 3, 4 and 5 companies are also eligible to purchase a Green Dragon plaque, proving their environmental credentials to employees, partners and customers.

For further information about Green Dragon please contact Groundwork on 01443 844866 or 01685 883880. Alternatively email: enquiries@greendragonems.com or visit: www.greendragonems.com.

Groundwork is a leading local, regional and national environmental regeneration network building sustainable communities across Wales. During 2009/2010 Groundwork supported over 830 projects, created and safeguarded over 400 jobs, worked with more than 320 businesses and over 350 schools, provided over 1,330 weeks' worth of training, planted more than 5,900 trees, improved and maintained over 2,440,000 sq m of land across Wales.

Yours sincerely,

Gareth Jones
